STATE ABORTION PARENT INVOLVEMENT LAWS/Request Attendance

SUBJECT: **Child Custody Protection Act . . . S. 1645. Lott motion to instruct the Sergeant at Arms to request the attendance of absent Senators.**

ACTION: MOTION AGREED TO, 97-1

SYNOPSIS: As reported, S. 1645, the Child Custody Protection Act, will prohibit the knowing transportation of a minor across a State line with the intent that she obtain an abortion if she resides in a State with a parental consent or parental notification law and the required parental consent or notification has not been given. The bill will not create any Federal parental notice or consent requirement on minors' abortions, nor will it supersede, override, or in any other way alter existing State laws regarding minors' abortions.

NOTE: The Senate invoked cloture on the motion to proceed to the bill on September 11, 1998 (see vote No. 265). During post-cloture debate, Senator Lott asked unanimous consent that an order for a quorum call be rescinded. Senator Dorgan objected. A live quorum call was then ordered. When it was determined that a quorum was not present, Senator Lott moved to instruct the Sergeant at Arms to request the attendance of absent Senators.

A motion to instruct the Sergeant at Arms to request the attendance of absent Senators is not debatable. This vote was the second vote to request attendance of the day (see vote No. 270). Subsequently, there was a vote on a motion to adjourn (see vote No. 271). The procedural motions and votes described above prevented the offering of amendments by Democrats that would have changed the schedule as it had been set by the Majority Leader (see vote No. 270 for details).

No arguments were expressed in favor of or in opposition to the motion.
